

# ROBIN FEARN

## Western Canada Sales Agent

**Robin Fearn and TMC Reps**, joins us with over 20 years of both independent and big box retail sales and management experience in the outdoor industry. Most recently managing the Wholesale Sports location in Nanaimo BC, where he opened and managed the branch for 8 1/2 years, Robin has a keen knowledge of retail sporting goods.

An avid fisherman and hunter, Robin has been fortunate enough to spend time on the pristine mountains and waters of British Columbia as well as the many world class lakes and rivers found in our beautiful province. Robin is now responsible for the development and growth of our Northern BC business. Robin's focus is to continue his commitment of providing exceptional customer service to all our customers.

I know I speak for the whole team when saying we look forward to meeting, servicing and partnering with all dealers in our territory and continuing to provide the same high level of customer service, knowledge and insight to all of our partners.
